

AM Drop Off Procedures for Leslie Bell Starting @ 7:40 AM

Parents will line up on Monroe Street and turn right onto 20th Street, where cars will pull up to an orange cone and unload their child/children. Cones are labeled 1-6. Please fill in all of the cones to allow for six cars to unload at a time. Please have your child/children exit thru the passenger doors directly onto the sidewalk. Students will enter the school on the lower South end of the building.

Buses will pull into the Leslie Bell parking lot to unload students on the North side of the building.

PM Pick Up Procedures for Leslie Bell Starting @ 3:00 PM

Parents will line up on Monroe Street and turn right onto 20th Street, where cars will pull up to an orange cone and load their child/children. Cones are labeled 1-6. Please fill in all of the cones to allow for six cars to load at a time. Students will load on passenger side of the vehicle. Students will exit the school on the lower South end of the building.

Buses will load students from the North side of the school.

Parents are asked not to pull into the bus lane during drop off or pick up due to the safety and security of our students.

Thank you for your patience and understanding as we iron out the kinks to this new process.
