Family/Household means a group of people who may or may not be related and who do not live in an institution or a boarding house, but who are living as one economic group. Students who are temporarily away at school should be counted as members of the family; however, students who are full-time residents of an institution are considered a family of one.

Gross Income means income before deductions for income taxes, employee's social security taxes, insurance premiums, charitable contributions, bonds, etc. It includes the following:

1. Monetary compensation for services, including wages, salary, commissions, or fees;
2. Net income from non-farm self-employment;
3. Net income from farm self-employment;
4. Social security;
5. Dividends or interest on savings or bonds or income from estates or trusts;
6. Net rental income;
7. Public assistance or welfare payments;
8. Unemployment compensation;
9. Government civilian employee or military retirement, or pensions, or veterans payments;
10. Private pensions or annuities;
11. Alimony or child support payments;
12. Regular contributions from persons not living in the household;
13. Net royalties; and
14. Other cash income. Other cash income would include cash amounts received or withdrawn from any source including savings, investments, trust accounts, and other resources which would be available to pay the price of a child's meal.

Income does not include any income or benefits received under any Federal program, which are excluded from consideration as income by any legislative prohibition.

In a household where there is income from wages and self-employment and the self-employment reflects a negative net income, consider that income as zero so as not to offset the wages earned.

In applying guidelines, the family's current rate of income should be used in determining eligibility.

Current Income is defined as income received during the month prior to application if such income is representative. Where the prior month's income was much higher or lower than usual, expected income for this year (12 months starting from the prior month) may be used; for example, self-employed people, farmers, and migrant workers.

(Information follows on the reverse side.)

Foster Children whose care and placement is the responsibility of the State, or who is placed by a court with a caretaker household, is categorically eligible for free meals and may be certified without an application. Households with foster and non-foster children may choose to include the foster child as a household member, as well as any personal income earned by the foster child on the same household application that includes the non-foster children. Foster children on the DC list are free eligible. Foster children cannot extend eligibility to household members.

Institutionalized Children are considered a one-member family and only monies the child actually receives and controls shall be considered as income for determining eligibility.

Adopted Children for whom a household has accepted legal responsibility is considered to be a member of that household. If the adoption is a “subsidized” adoption, which may include children with special needs, the subsidy is included in the total household income.

Because some adopted children were first placed in families as foster children, parents may not be aware that, once the child is adopted, he/she must be determined eligible based on the economic unit and all income available to that household, including any adoption assistance, is counted when making eligibility determination.

If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call or e-mail **Lexington R-V School District at 660-259-4369 or Nicky Bennett, District Social Worker at 660-259-4391.**

HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in the Lexington R-V School District. The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact Lexington R-V School District, Board of Education, 660-259-4369.

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending Lexington R-V School District, regardless of age.

List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.

Building name/Grade. If child is a student, list building name and grade.

Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing **STEP 1**, go to **STEP 4**. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.

Are any children homeless, migrant, or runaway? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and complete all steps of the application.

STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN SNAP, TANF, OR FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP)
- Temporary Assistance for Needy Families (TANF)
- The Food Distribution Program on Indian Reservations (FDPIR).

If no one in your household participates in any of the above listed programs:

- Leave **STEP 2** blank and go to **STEP 3**.

If anyone in your household participates in any of the above listed programs:

- Write a case number for SNAP, TANF, or FDPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact: State number 1-855-373-4636 – Family Services Division.
- Go to **STEP 4**.

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

How do I report my income?

- Use the charts titled "Sources of Income for Adults" and "Sources of Income for Children," printed on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
 - Gross income is the total income received before taxes
 - Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.

(Information follows on the reverse side.)

Write a “0” in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write ‘0’ or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.

- Mark how often each type of income is received using the check boxes to the right of each field.

3.A. REPORT INCOME EARNED BY CHILDREN

A) Report all income earned or received by children. Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked “Child Income.” Only count foster children’s income if you are applying for them together with the rest of your household.

What is Child Income? Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.

3.B REPORT INCOME EARNED BY ADULTS

Who should I list here?

- When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT include:**
 - People who live with you but are not supported by your household’s income AND do not contribute income to your household.
 - Infants, Children and students already listed in **STEP 1.**

List adult household members’ names.
Print the name of each household member in the boxes marked “Names of Adult Household Members (First and Last).” Do not list any household members you listed in STEP 1. If a child listed in **STEP 1** has income, follow the instructions in **STEP 3, part A.**

Report earnings from work. Report all total gross income from work in the “Earnings from Work” field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income.

What if I am self-employed? Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.

Report income from public assistance/child support/alimony. Report all income that applies in the “Public Assistance/Child Support/Alimony” field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as “other” income in the next part.

Report income from pensions/retirement/all other income. Report all income that applies in the “Pensions/Retirement/ All Other Income” field on the application.

Report total household size. Enter the total number of household members in the field “Total Household Members (Children and Adults).” This number **MUST** be equal to the number of household members listed in **STEP 1** and **STEP 3**. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.

Provide the last four digits of your Social Security Number. An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled “Check if no SSN.”

STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE

All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.

Provide your contact information. Write your current address in the fields provided if this information is available. If you have no permanent address, this does not make your children ineligible for free or reduced price school meals. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

Print and sign your name and write today’s date. Print the name of the adult signing the application and that person signs in the box “Signature of adult.”

Mail Completed Form to: Lexington R-V School District, 817 S. Business Highway 13, Lexington, MO 64067

Share children’s racial and ethnic identities (optional). On the back of the application, we ask you to share information about your children’s race and ethnicity. This field is optional and does not affect your children’s eligibility for free or reduced price school meals.

The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year. A complete application is required as a condition of eligibility. A complete application includes: (1) household income from all sources or Food Stamp/TANF case number, (2) names of all household members, and (3) the signature and last four digits of social security number or indication of no social security number of adult household member signing the application. School officials may verify current income at any time during the school year.

Foster children may be eligible regardless of the income of the household with whom they reside.

If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for these benefits.

Households will be notified of their children's eligibility status for free or reduced price meals. If any children were not listed on the eligibility notice for families receiving SNAP, TANF or FDPIR, the household should contact the school to have free meal benefits extended to those children.

If any child(ren) was not listed on the eligibility notice, the household should contact the LEA or school to have free meal benefits extended to that child(ren).

Under the provisions of the policy, the **Superintendent of Schools** will review the applications and determine eligibility. If a parent is dissatisfied with the ruling of the determining official, they may wish to discuss the decision with the hearing official on an informal basis or he/she may make a request either orally or in writing to the **Superintendent of Schools, Mrs. Sarrah Morgan, 817 S. Business Highway 13, Lexington, MO 64067**.

Hearing procedures are outlined in the policy. A complete copy of the policy is on file in each school and in the central office where any interested party may review it.
