**Lex Kids Care ZONE DISCIPLINE POLICY**

Students will be taught what it looks like, sounds like, and feels like to be responsible, respectful, kind and safe in school. This is a district wide initiative.

Be Respectful

Be Responsible

Be Kind

Be Safe

All Lex Kids Care employees will be trained in "Behavior Intervention Support Team" (BIST). This concept includes setting limits, giving children guidance in solving problems, redirecting behavior, and recognizing misbehavior as an opportunity to teach children acceptable behavior and develop self control.

Children who require disciplinary action will:

- Be asked to stop
- Be asked to talk about the problem and discuss other options
- Be redirected to alternate activities
- Sit in the safe spot

Children may need to sit down for a short time to calm down in a "Safe Spot." The child may be asked to complete a Think Sheet or draw a picture of the problem. If a problem is repeated several times in one day, or over a short period of time, a staff employee or Program Coordinator will talk with the parents. Parents may also request a conference with the Program Coordinator and/or Principal. If the misbehavior continues, resulting in harm to self or others, parents will be asked to make other arrangements for care.

**Children may be suspended or dismissed from the program without notice for the following:**

- Harassment
- Leaving designated area without permission
- Verbal or physical acts of violence to self or others
- Use of crude or profane language or gestures

*Lex Kids Care is not a mandated program and attendance is considered a privilege.*

### **SCHOOL YEAR INFORMATION**

Hours of Operation - School Year

Before School: 6:30 AM - 7:35 AM After School: After school until 6 PM

Lex Kids Care is open on days school is in session. Please refer to our website for the current operating calendar [www.lexington.k12.mo.us](http://www.lexington.k12.mo.us).

### **Daily Schedule - School Year**

Before-School Lex Kids Care is meant to be a calm transition into the school day.

After-School Lex Kids Care is meant to be a relaxing environment for students to have a snack, have some free play time, work on homework, explore and create, and stations are again available on a rotating basis. Stations are offered daily, but may be rotated on a weekly basis. All students will have the opportunity to participate in one or more stations daily.

### **Activity Station Descriptions**

**The following learning stations will be offered when possible:**

#### **COMMUNICATION STATION**

is designed to provide activities that promote communication and socialization skills. The quiet activities of this area include experiences with technology, such as electronic games. This center also offers reading and journaling.

#### **CREATION STATION**

is designed for children to have an opportunity to explore, examine and create art. Children are encouraged to express their creativity using the various arts and crafts materials readily accessible.

## **RECREATION STATION**

is designed to focus on motor skill development, sportsmanship and social development with peers on an individual and group basis. This center allows for children to move and get their wiggles out.

## **CONSTRUCTION STATION**

is designed for opportunities to develop fine motor skills with a variety of building materials from blocks to recyclables. Children who love to work with their hands can construct entire cities, build their own zoo or engineer the eighth wonder of the world.

## **STUDY STATION**

is designed to provide activities that promote curriculum and academic skills. The activities of this area include experiences with individual study, such as spelling and classroom teacher given homework. This center also offers reading, writing and listening centers as well as academic board games.

## **Snack**

Morning snack is not offered during the school year, but children can take advantage of the district's breakfast program.

After school, children check-in and have the option to eat a healthy, nutritious snack. Good food habits help prevent cavities, obesity, and anemia problems for many school-age children. With these points in mind, children will not be permitted to bring snacks to the program; unless Lex Kids Care staff has notified the children and parents of a special "Snack-n-Sack Day".

Snack menus are available on a monthly basis.

## **Sign In/Sign Out**

Children must be signed in each day at the Morning program and signed out each day at the Afternoon program with the time and parent signature.

A child will be released only to the custodial parent(s) or guardian to receive the child.

## **COMMUNICATION**

Lex Kids Care has an open-door policy. Parents may visit anytime and are invited to

share special skills, experiences and talents.  
Communication between parents and staff is vital.

## Health

### Illness and Accidents

Any child showing signs of illness shall be made comfortable until the arrival of parents or guardian. Parents will be notified and expected to pick up the child immediately after contact is made.

Immediate first aid will be provided for a child who sustains a minor injury (scratch, scrape, insect bite, etc.). In addition, the child's parent(s) will be notified in writing.

In the case of accident or injury, parents will be notified immediately. The staff will immediately call for professional help. Parents, the designated emergency contact, or the child's doctor will be notified immediately. If the emergency is such that immediate attention is necessary, the staff has permission to call 911. Staff will contact the school principal. Incident reports will be used to document illnesses and accidents.

### Fever

When determining whether the exclusion of a child with fever is needed, a number of issues will be evaluated: recorded temperature (elevated body of temperature 100°F or higher); is the elevated body temperature accompanied by behavior changes, headache, stiff neck, difficulty breathing, rash, sore throat, and/or other signs or symptoms of illness; or if the child is unable to participate in routine activities. Body temperature will be determined by a variety of assessment devices: Ear, Oral, Axillary and/or Temporal. Because of the range of available devices and varied temperature norms, Lexington School District will use 100°F as our determinate factor.

If your child has been sent home from school due to fever greater than 100°F, please keep them home for at least 24 hours, (from the time they were sent home) after they are symptom free WITHOUT fever reducing medications. We encourage frequent hand washing and appropriate cough hygiene, into the bend of the elbow, not the hand. Good hand washing is the best defense against the spread of germs!

The Lexington R-V School District will be following the Center for Disease Control (CDC) guidelines as follows: The Centers for Disease Control and Prevention recommends that people with influenza-like illness remain at home except when necessary to seek required medical care. They should remain at home until they have been free of fever exceeding 100° F (37.8° C) for AT LEAST 24 hours without

the use of fever-reducing medications.

Please respect our efforts to protect all children from contagions and to minimize the time out of school due to illness for all of our students. As always, please feel free to contact any of the school nurses with questions.

### Safety

The utmost priority of Lex Kids Care is to provide a safe environment for your child. Practicing monthly tornado, fire and intruder drills, are safety practices in use by our program. All staff has a criminal background check before employment. In addition, our staff will receive training each year in the areas of CPR, First Aid, Preventing Disease Transmission, Discipline of Children, Playground Supervision, Fire Safety and many more.

### Personal Property

Children need to bring all of the belongings to the area where the program is held. They are responsible for placing their clothing and other possessions in the space provided. Children are not allowed to go to other parts of the building once the school day is over unless they are with a staff member.

Children are discouraged from bringing personal items from home. Cell phones are not to be used during the program. Children must have permission from the staff to bring and/or use any handheld devices. Lex Kids Care is not responsible for any personal property, including loss or damage to articles. Any items brought to our program should be clearly labeled with your child's name.
